GS11000

Tandem. Tridem. Trusted.

Core Product Line

The brands of the BPW Group

BPW Agrar

Perfect is just enough.

GS11000 AXLE

Optimised to Perform.

More Load.
More Performance.
Same Trust.

SCAN FOR
DETAILS

Functionally optimised
axle solutions for
accessible, efficient
applications.

**Core
Product Line**

Excellent protection against dust and dirt

Ideal for **tandem & tridem configurations**

Optimised for high efficiency

Upgraded N4012 brake – based on 7 years of
field-proven durability

Modular variants available

Low maintenance design for long-term
reliability

APPLICATION AREAS

Push-off trailers

Dumpers

Loader wagons

Transfer vehicles

Manure spreaders

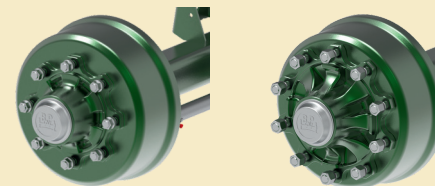

OPTIONS
